PARTNERSHIP ATTRIBUTION TERMS AND CONDITIONS

1. Given that certain categories of sponsorship are limited, they will be assigned on a first-come, first-served basis. Sponsorship of a particular event/item will be granted to the first company, which sends its Sponsorship/Exhibitor Application form.
2. Secure the partnership you want today by filling out and sending us the Sponsorship/Exhibitor Application form. Verbal reservations will not be accepted.
3. Following receipt of your application and mutual acceptance of the sponsored option/exhibit space, you will receive a Sponsorship/Exhibitor Agreement and a Proforma invoice confirming the terms and conditions of the contract. By signing the Sponsorship/Exhibitor Agreement, the partner agrees to pay the partnership amount within 30 days following the receipt of the signed agreement. If the partnership amount is not paid within 30 days after the agreement is received, the sponsorship opportunity will be attributed to another partner.
4. By signing the Sponsorship/Exhibitor Agreement, the partner agrees to respect the due dates and other conditions related to its partnership level and visibility. Upon receipt of the signed agreement, the partner will receive an email confirming the details of its sponsorship/exhibit package as well as information necessary to optimize its visibility. If the partner does not respect the due dates and other conditions, the organizing committee will not be held responsible for the lack of visibility of the partner.
5. If a particular sponsorship/exhibit space opportunity has already been assigned, the partner will be contacted and asked if he would like to select an alternative event/item/space
